Date: 23/08/2023

To,

The Principal,

SMSMPITR, Akluj

Subject: - Report of “Induction Program” from 17/08/2023 to 22/08/2023.

Respected sir,

With reference to above mentioned “Induction Program” from 22/08/2023 for the first year students.

An ‘Induction Program’ was organized to welcome the first year students who were admitted to Engineering program at the institute premises From 17/08/2023 To 22/08/2023 where students and parents had been welcomed by the Management and Principal of SMSMPITR , Akluj. The objective of the programe was to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

Day-1:17/08/2023-The day is started with orientation of respective departments. Then first year coordinators addressed to the students and given information of respective departments. In second session students are addressed by head of departments after that students visited respective departments. In last session there was lecture on universal human values. Students enjoyed first day induction program.

Day-2:18/08/2023-Second day is started wish students self-introduction. Then was session of physical health students in this they come to know that regular physical activity can help children and adolescents improve cardiorespiratory fitness, build strong bones and muscles, control weight, reduce symptoms of anxiety and depression, and reduce the risk of developing health conditions such as: Heart disease Cancer. In next session dean academics addressed the students. Then there was lecture on basics of mathematics by subject teacher. The ended with power point presentation about the institute.

Day-3:19/08/2023- Third day of program started with excitement as there was first session on Yoga and Meditation students were feeling cheerful ,happy ,and relaxed after this session. Then in next session there was lecture on DBATU’s syllabus and scheme. After this session there was lecture on basic computer language this session was followed by the session on digital skills in computer engineering.

Day-4:21/08/2023-The morning session started with lecture on basics of chemistry and environmental studies. The afternoon session was also full of knowledge for students as it contains lecture basic concepts of Physics and lecture on Basic English grammar Which helps students to get knowledge about basics of subjects. Then the day ended with visit to workshop which will be helpful for practical knowledge.

Day-5:22/08/2023-This is the last day of induction program started with Training and placement officer. After this students enjoyed breakfast together. The day was marked with the presence of Dr. R.P. Kate, Officer on Special Duty, DBATU, Sub Centre, Solapur.

The Principal Dr. P.A. Dhavale concluded his session by urging the students again to concentrate more on improving their skills to match that of a professional's and to polish their understanding of the basic subjects to boost their knowledge of engineering subjects that they will face in the upcoming years of their academics. He implored the students to practice positive thinking to keep their minds sharp in order to achieve the maximum of their capabilities. He wished the students well for their maiden academic year in the Engineering stream.

The day was marked with the presence of Dr. R.P. Kate, Officer on Special Duty, DBATU, Sub Centre, Solapur.

Prof. Phule S.N. welcomed the distinguished guest, the management, students, parents and faculty. And introduced the guests to the audience. He thanked them for their presence and invited Dr. R.P.Kate to speak. Dr. R.P.Kate welcomed the First Year Engineering students and shared his experiences as an engineering student and his days as a Professor at DBATU, Lonere. He urged the students to keep up with the changing trends in engineering and take their studies in to utmost importance. He also shared the positive thought with the students that the brightest amongst the present generation will take the ambitions of the country forward in the coming years.

The last session of the was reserved for funny games for students in which students enjoyed different type of funny games. The Overall program was full of knowledge,cheerful and joyful for student

Induction program was successfully completed under the guidance of Principal of the institute Dr. P.A. Dhavale sir.

Thanking you
