**Objective of the Meeting:**

Sahakar Maharshi Shankarrao Mohite Patil Institute of Technology and Research, Sahnkarnagar - Akluj, Department of Computer Engineering (Diploma) organized Parents Teachers Meeting for S.Y & T.Y students on 20/02/2025. The parents were intimated about the meeting well in advance through Coordinators and respective student mentor.

- The main objective of the meeting was to create a common platform, where teachers and parents come together to discuss student's performance and devise ways to enrich their learning experience.
- To discuss overall attendance & student's performance in Unit Test – I
- Overall growth of student and collecting advices from parents for advancement of student.
- **Activities during Meeting:**

On Saturday 20<sup>th</sup> Feb 2025 Parents-Teachers Meeting was organized by Sahakar Maharshi Shankarrao Mohite Patil Institute of Technology and Research, Sahnkarnagar - Akluj, Department Computer of Engineering (Diploma) for SY & TY Students. The programme formally began with the welcome address by Mrs.Deshmukh S.M. and then it was handed over to HOD Mr. Phade G.M. Firstly he introduced all faculty members to parents. He talked on the responsibilities and duties of both the students and the parents in the Academic. Then Attendance & Marks of UT –I were shown to the Parents by respective mentors. Students, identified as low performers were advised to improve their performance. After that Parents expressed their thoughts towards the quality of education at college and the department and also praised the college for providing facilities and encouragement for extracurricular/ co-curricular activities which helps overall development of an individual and also gives some suggestions for students and departments.

**Mission:**

- M1. To impart high quality professional training level with an emphasis on basic principles of computer engineering.
- M2. To impart moral and ethical values, and interpersonal skills to the students.
- M3. To empower the students with the required skills to solve the complex technological problems of modern society and also provide them with a framework for promoting collaborative and multidisciplinary activities.
- M4. To impart value based technical and research oriented education.
